RE: Freedom of Information Act Request - EPA-HQ-2015-009873

OFFICE OF
ENFORCEMENT AND
COMPLIANCE ASSURANCE

Dear Ms. Prion,

This is in response to your Freedom of Information Act request, seeking copies of any CERCLA Lien Information listing for all 10 Regions. Attached is the most recent set of data that the Agency has available in response to your request. It is the final data report from Fiscal Year (FY) 2013. The Agency recently deployed a new information system, the Superfund Enterprise Management System (SEMS) system, which is replacing several legacy information systems. The Agency is experiencing technical difficulties in inputting data. Until SEMS is fully functional for all EPA regional users, we are unable to provide you with accurate data after FY 2013. We are working on the issue and anticipate that we will be able to update the data sometime in early 2016. We apologize for any inconvenience.

You may appeal this determination via email to HQ.FOIA@epa.gov or through-EPA's FOIAonline system. Alternatively, you may submit an appeal through the United States Postal Service to the National Freedom of Information Officer; U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822 T), Washington, D.C., 20460. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this correspondence. The Agency will not consider appeals made after the 30 calendar day limit. The appeal letter should include the FOIA number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Should you have any questions concerning this matter, please feel free to call me at (202) 564-5136.

Sincerely,

A handwritten signature in blue ink, which appears to read "Antoinette Powell Dickson", is written over the word "Sincerely,".
